

# Next Steps

- Input received will be reviewed and considered as the Detailed Design is finalized
- Reasonable efforts will be made to resolve issues or concerns raised and formal responses will be provided to all comments
- The Design and Construction Report will be placed on the public record for a review period of 30 calendar days
- Following the 30-day review, construction may commence, subject to receipt of any other required approvals, permits or authorizations.

**We are here.**

*Construction is anticipated to begin in fall 2016 and be completed in summer 2018.*

The Project website will be maintained for the duration of construction and will provide a link to "Ontario 511" for updates on traffic restrictions and detour routes, following initiation of construction. The Construction Progress Updates section of the website will provide frequent status updates.
